

Highlights

EPDM gasket integrated in the lid: the containers are weather/dust and dirt resistant as well as mould/parasite and smell-safe

Double material closing latches: optimal handling and secure grip, even at low temperatures and in humid/wet conditions

Rounded and reinforced bottom corners: better protection from shocks

Feet: 4 insulating non-slip rubber feet

Integrated slots both in the lid and in the base are intended to accommodate tie down straps

Integrated slots both in the lid and in the base are intended to accommodate padlocks for added security

Alstora, protective storage boxes, is Plaber group new-born brand alongside HPRC | High Performance Resin Cases and ConeCarts | High Performance Multipurpose Carts.

Alstora is the crasis between ALPS and STORAGE. The choice of the name on one hand draws on our attachment to the land and to the mountains surrounding our headquarters located in Bassano del Grappa (Veneto) and, on the other, the type of product, high-performance containers. Containers capable of perfectly combining technological innovation, design and sustainability in their DNA.

For **industrial, outdoor and home** use, **Alstora** is synonymous for totally safe storage. Proudly 100% made in Italy with reinvigorated, certified and non-toxic resins. Entirely recyclable at the end of the product life.

Protective Storage Boxes

Made in Italy

Technical Features:

Protective storage boxes for industrial, outdoor and home use.

Zero Energy:
Planet friendly

Zero Energy: made with reinvigorated, certified and non-toxic resins. Entirely recyclable at the end of the product life

Weather & Dust proof

Weather and dust proof: the internal gasket, running along the entire perimeter of the lid, ensures protection from dust and water

Mold/Parasite safe

Mold/Parasite safe: the fully closing lid guarantees optimal sealing preventing mold and parasite entry

High-impact PP

High-impact PP: Polypropylene copolymer (PPc) based compound, which guarantees excellent shockproof performances even at low temperatures
